OR90-528

Dear Mr. Gilmore:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 9932.

As counsel for the town of Flower Mound, you have received a series of requests under the Open Records Act for records relating to municipal court and law enforcement activities, as well as personnel records involving a former employee of the town. You inform us that the employee is involved in litigation with the town and has filed several complaints with the Equal Employment Opportunity Commission. You assert that the requested information is excepted from required public disclosure under sections 3(a)(1), 3(a)(3), and 3(a)(8) of the act.

We have considered the exceptions you claimed, specifically section 3(a)(3), and have reviewed the documents at issue. A previous determination of this office, Open Records Decision No. 551 (1990), a copy of which is enclosed, resolves your request. For this reason, you may withhold the requested information.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR90-528.

Yours very truly,

A handwritten signature in cursive script, reading "Jim Moellinger".
